Cllr Peray Ahmet
Haringey Council Leader

Dear Neighbours,

I was born and raised in Haringey, the child of immigrants. I now live with my young family near my 84-year-old mum and the house I grew up in. **Politics is personal for me – it's why I'm honoured to be your council leader.**

I know the benefit of our 'outstanding' schools. I know the importance of services and housing for older and vulnerable people. **As a working class woman of Turkish Cypriot Muslim origin in public life, I see clearly the threat of extremism, for all communities.**

I want every family and resident to feel safe and secure in their homes and across Haringey, and I want people to have choices.

That's why **Haringey Labour has delivered record numbers of council homes**, investment in 30 parks, cost-of-living support, **and – for the first time ever – an 'outstanding' rated Children's Services.**

Haringey is the greatest borough in the greatest city in the world, **but there's always work to be done.** I'll always strive for a fairer, safer, greener borough.

Thank you for being on this journey with us, but it doesn't end here.

Peray
